survitecgroup

Introduction

INCREASED SPECIFICATION IMPROVING SAFETY & PERFORMANCE

With over 90 years industry experience Survitec Group remains market leader in design and manufacture of marine safety equipment. Our mission is to continually strengthen our position as leading global liferaft supplier to the maritime industry through customer focus, product excellence and technical innovation.

CUSTOMER LOYALTY

Established in 1920, Survitec Group has led the way in survival technology, securing its place as one of the most respected names in the marine industry today. Survitec Group is committed to putting customers first. From design of product through to manufacture and delivery we strive to provide you with the safest, most reliable equipment available in the market today.

TECHNICAL SUPPORT

Survitec Group's technical knowledge of marine survival products is second to none. Our dedicated Research and Development team work tirelessly to continuously improve each of our products, ensuring we are always ahead of the ever changing demands of today's marine industry. With a global network of over 580 liferaft service stations Survitec group are able to offer quick, seamless and dependable service wherever your journey takes you.

Crewsaver ISO Ocean Liferaft

INCREASED SPECIFICATION IMPROVING SAFETY & PERFORMANCE

Every year hundreds of leisure craft get into distress in open, coastal and inland waters. Among the most common incidents are fires, collisions or rogue waves: therefore it is essential you equip your vessel to ensure the safety of all on board.

Using our skills and expertise in the design and manufacture of both liferafts and lifejackets, we have created the most advanced specification ISO Ocean Liferaft yet.

Developed specifically for the global leisure market, the Crewsaver ISO Ocean offers:

- High manufacturing quality at a competitive price
- Superior quality – designed and manufactured to ISO 9650-1
- Can be serviced globally by Survitec Group's network of over 580 fully approved stations
- A lightweight and compact container or valise for ease of transportation
- Lloyds Class ISO approved

■ Rainwater catcher on the rear of the canopy

■ High visibility SOLAS standard reflective tape to aid visibility

■ Internal SOLAS standard LED light

■ Interior and exterior lifelines help occupants stabilise themselves in heavy seas

■ Easy to locate righting lines in case of accidental capsize

■ External SOLAS standard strobe light attached to the roof of the canopy, makes it easier for search and rescue teams to locate in darkness

■ Lookout sleeve located on the side of the canopy

■ Simple zip-closed canopy door

■ Thermally insulated floor

■ High volume water ballast pockets ensure maximum liferaft stability when inflated
 - 4 Man - 2 x 84 litre water pockets
 - 6, 8 & 10 Man - 3 x 84 litre water pockets
 - 12 Man - 5 x 60 litre water pockets

■ PU tubes with taped corners to aid longevity

■ Exterior pressure relief valves ensure excess CO₂ is not released into the liferaft

■ A semi-rigid boarding ramp and webbing ladder for quick, easy and safe boarding, in addition to interior and exterior lifelines

12 YEAR WARRANTY WITH EXTENDED 3 YEAR SERVICE INTERVALS

Compact Solution

Lightweight and compact, the Crewsaver ISO Ocean Liferaft is easy to store and takes up minimal deck space, whilst offering complete confidence in an emergency, being deployed in less than one minute.

Material and fabric technology

The liferaft is made from a highly durable, long lasting Polyurethane (PU) coating providing the following:

- Flexibility
- Long lasting
- Abrasion resistant
- Highly reliant
- Highly durable
- Chemically inert fabric

Grab Bag

■ All over 24hr products include a waterproof, buoyant and sealed grab bag, packed inside the raft containing additional survival equipment:

- Flares
- SOLAS thermal protective aids
- ISO first aid kit
- Drinking water
- 500g ration pack per person
- Also available as an optional extra allowing you to upgrade when required.

Supplied in either a weather proof valise or a sleek, lightweight container with side handles for ease of transportation.
