

# Amigo Power Seat Lift

The power seat lift (PSL) helps Amigo users reach higher and lower by raising and lowering the seat height.

PSL requires Touchtron or Travel Switch handle.

## CUSTOM SEATING

The Amigo standard seat is the **Premier I Universal Folding Seat**. Standard cushions should be replaced annually as the foam will compress.

It's easy to upgrade cushions because they snap on for effortless replacement.

## More Ways to Reduce Seating Pressure

**(#12254) \$60**

### Seat Extender

If you are tall or have long legs, a seat extender is recommended. The seat extender is secured to the Amigo seat frame.

*This part will require the Prism Ideal or Invacare Matrix Vi extended cushion.*

### Modular Seating System

An excellent option for greater back support. Features a raised back with a high density foam back cushion and cloth cover.

*This system will require a separate seat cushion.*

**(#10980) \$199**  
 16" wide x 18" deep x 21" high

**(#6390.21) \$330**

### Adjustable Adapt-a-Seat Frame with Pan

This replacement frame is ideal for full-time Amigo users who need contoured seating. Allows for specially designed cushions to be fitted to the Amigo.

### Custom Sized Seat

Achieve maximum comfort and support with a seat designed just for you. Connect with your local dealer to be fitted for a custom sized seat.

**(#396005) \$395**

**(#10171) \$1,495**

### Tilt-in-Space Seating System

Alleviate pressure with a reclining system. Designed to recline up to 15 degrees, weight can be distributed for a more comfortable position.

*Amigo is not operational when seat is reclined beyond 6 degrees.*
