

E-TEK One Year Limited Warranty

At E-Tek, we are proud of the quality and durability of our products. We are confident that you will be impressed and that we will stand behind all our products. Every electric bike we sell is covered by a one year limited warranty.

The warranty applies only to products, parts and components that have been manufactured, assembled or sold in new condition by E-Tek Bikes.

The warranty only applies to the replacement / repair of products in the event of a manufacturing defect in accordance with the scope of the warranty service.

The warranty may not be transferred in any way and may not be exercised by anyone other than the original purchaser together with proof of purchase of the products.
