welcome

meet Kelly Renay & her brand...

About Me...

Born + Raised + Reside in San Antonio, Texas. I grew up inspired and influenced by the bold and bright culture, relaxed and comfortable atmosphere, and pride of family and home. As a young girl I had difficulty reading, writing and verbally communicating because I had a learning disability that affected my ability to associate certain letters with sounds. Through art I could express myself. Although my disability has faded, my passion for design continues to flourish. With a B.A. in Computer Graphic Arts, my design aesthetic is simple + bold. My inspiration is drawn from my hometown, family and childhood memories. I strive to embrace my passion for creativity and bringing joy to others. Thank you so much for taking a look at my work - please don't hesitate to contact me with questions!

The Brand...

Kelly Renay is an artist + designer + daydreamer living vibrantly amongst the diverse culture of the Alamo City. In her tiny studio, she specializes in graphic design, illustration and surface pattern design; with a wittily creative but simply sophisticated approach. Kelly Renay designs are eclectic, modern and cheerful. She is committed and determined to provide excellent customer service and products of the highest quality. She is humble and grateful to do what she loves everyday, by designing with lots of heart.
