

PRESTOTEX

PRINT MEDIA

PrestoTex is a digitally printable wall media designed for wide-format printers. The polyester print media is available with or without a removable and repositionable peel-and-stick adhesive. Any artwork, photo, or branding can be printed on the media and installed permanently or temporarily. All PrestoTex products are manufactured at our facility in Bensalem, PA.

QUICK FACTS

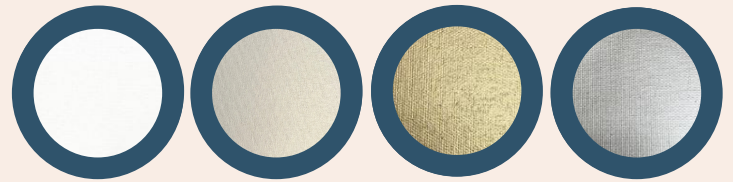

- removable & repositionable
- no peeling, shrinking or curling
- no residue left behind after removal
- wipeable, ideal for high-traffic areas
- easy to install on any smooth, non-porous surface
- safe & non-toxic
- without PVC, lead, or phthalates
- for temporary or permanent use indoors
- for permanent use outdoors
- thick & opaque to hide wall imperfections
- create contour cut decals or a cut to size
- can also be used as a canvas for painting
