

ONE-STEP SOLUTION FOR HEAT APPLYING SHIRT FRONTS AND TAGLESS LABELS

The Tag Along™ HP gives you the ability to perform two heat applications simultaneously. Simply thread the garment onto the lower platen and apply a full front and tagless label in one step, saving your business time and improving efficiency. It's compatible with select 16" x 20" heat presses and is designed to help you load garments straight for accurate positioning every time.

PERFORMANCE
