

TexPrint®DT_{XP} light

TexPrint®DT_R heavy

Desktop dye-sublimation print paper

The world's number one selling desktop dye-sublimation paper, TexPrint®DT delivers excellent dimensional stability while absorbing the heaviest ink loads. TexPrint®DT dries fast, eliminates offsetting, and produces the most vibrant color transfers. TexPrint®DT provides consistent, high-quality printing every time!

FEATURES:

Broadest selection of desktop sheet sizes.

TexPrint®DT_{XP} - Lightweight

TexPrint®DT_R - Heavyweight

Quick-Dry coating

High color yield

Recyclable

Works on hard and soft applications

Waste reduction

CUSTOMER BENEFITS:

Get exactly the size, put-up and pack needed for your production environment.

Paper coating designed to work with all Epson printers.

Coating designed to work with Ricoh, Virtuoso and Epson F500 series printers.

DT dries quickly, eliminating smudges and handling issues.

More transferred color on your substrate, less ink left on your print-sheet.

100% recyclable ingredients.

Used by desktop printers worldwide, DT works exceptionally well on hard and soft substrates.

Available in individually boxed or bulk packaging. Volume users can save time, labor and the planet by ordering bulk packaging.
