Heavy Duty Precision Machines - Built To Last A Lifetime!

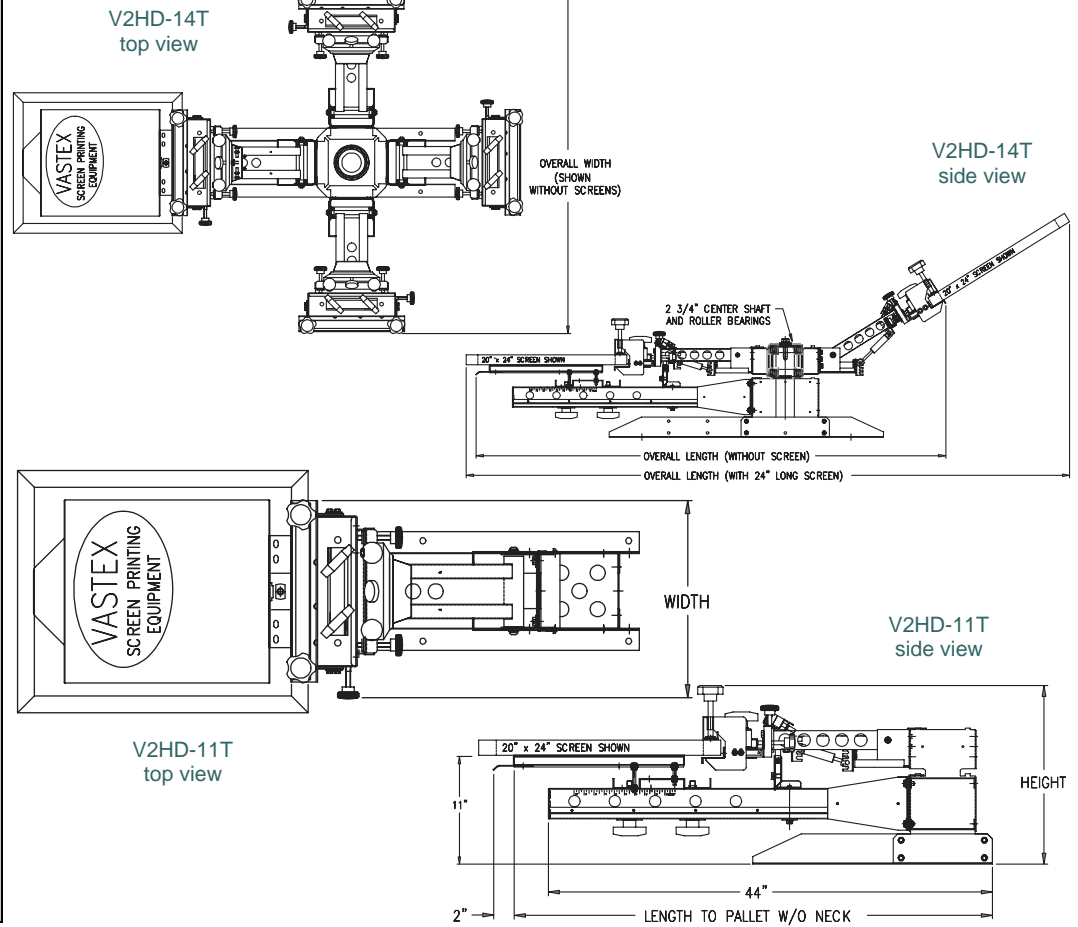

Did You Know?

With over 40+ years in the screen printing industry, Vastex has the knowledge and experience to build a printing system that is accurate, user friendly, affordable and built to last a lifetime!

As the pioneer in multi-color screen printing, we have more unique designs and features built-in to our presses than we could ever fully list here. And our quality is such that we warrant all our presses for 25 years¹! Vastex table top printers can be ordered with 1 or 2 stations and anywhere from 1 to 6 colors. Need to grow? No problem - you can easily add a stand for your table top or better still, upgrade it to a full rotary system!

From small things big things come - start your business right with a Vastex table top press and let it grow with you! To learn more, visit www.vastex.com.
