

Outdoor Gear Builder

Do you love the outdoors? Skiing, hiking, fishing, climbing, cycling - you name it! While we can't pay you to do those things, we can offer you a complete employment experience working for the preeminent gear builder in the High Country - Tsuga.

At Tsuga, you'll be part of a team that is constantly inspired by the mountains we live in - we live and breath mountain culture and build products inspired by it. We're looking for folks with a desire to learn a craft, have a positive attitude, are hardworking, reliable and creative.

You'll be responsible for:

- Measuring, marking cutting and supplying our industry leading sewers and builders with material on a daily basis
- Receiving materials into the warehouse
- Assisting with other shipping/warehouse/design center duties
- Keeping our design and production center organized and clean
- Learning to run an industrial sewing machine to put gear pieces together
- Cutting fabric with a hot knife

Qualifications/Skills:

- Strong prioritization abilities
- Show initiative, problem-solving ability, dependability, respect, and accountability
- Hardworking with attention to detail
- Have excellent interpersonal and organizational skills and provide complete follow-through in all areas of responsibility
- Contribute to a team built on trust and mutual respect

Bonus points:

- Have the desire and ability to create your own projects and work independently
- Ability to self-motivate
- Previous work building a craft and/or working in the outdoor industry
