

## Outdoor Gear Builder

If you're the type that lives for the outdoors, appreciates fine craftsmanship, values hands-on work, strives to collaborate with a fun group of team members and loves working just as hard as you play, we invite you to join our amazing team here at Tsuga - the preeminent gear builder in the High Country.

At Tsuga, you'll be part of a team that is constantly inspired by the mountains we live in - we live and breathe mountain culture and build products that help us soak up everything our area has to offer. We're looking for folks with a desire to learn a craft, have a positive attitude, are hardworking, reliable, and creative.

### You'll be responsible for:

- Measuring, marking, cutting materials for everyday production use
- Receiving materials into the warehouse
- Keeping our design and production center organized and clean
- Learning to operate an industrial sewing machine and many other tools to create gear for our own brand and for private label manufacturing
- Assisting with various other shipping/warehouse/design center duties

### Qualifications/Skills:

- Strong prioritization skills and ability to self-motivate
- Possess a passion for learning new trades and working with your hands
- Show initiative, dependability, respect, and accountability
- Hardworking with attention to detail
- Have excellent interpersonal and organizational skills and provide complete follow-through in all areas of responsibility
- Contribute to a team built on trust and mutual respect
- Ability to problem-solve, think critically and outside the box

### Bonus points:

- Possesses the desire and ability to create one's own projects and work independently
- Previous work building a craft and/or working in the outdoor industry
- Enjoys a "work hard play hard" mentality
- Has a sense of humor!
