WorkFree pools

- Clean and clear mineral water
- The most effective and affordable chemical treatment alternative
- Reduces chlorine use up to 75%
- 10-year warranty on the vessel, simple design, durable and lasting
- One mineral cartridge lasts a full swim season!
- No handling of chemicals
- In-line, automated dispensing of water treatment
- Algae-free guarantee with purchase of 2 BAM applications annually
- System comes with vessel, mineral cartridge, Torpedo Pac, and 1 FREE BAM
- Over 15 years of proven performance in delivering clear water naturally

- Plug and play cleaner offers ultimate hands-free cleaning
- "Intelligent" robot cleans entire pool bottom in roughly 1.5 -3 hours
- Scrub brush spins quickly to brush surface
- Easy-clean top access debris basket
- Incredibly efficient: cleaning pool for less than 15 cents per clean
- Runs independent of pool system and filter
- Quick-drain feature makes it light and easy to remove from pool
- More reliable and efficient than suction-side or pressure-side cleaners

COVER
free

- Reduces evaporation up to 85%, conserves water treatment and water
- Reduces heat loss up to 70%
- PH neutral, advance mono-layer technology
- Reduces cost of ownership meaningfully, saves valuable resources

- Maintains stable PH, reducing the cost and time needed to maintain perfect water
- Enhances the performance of sanitizers, extending their life significantly
- Water conditioner makes the water silky and inviting to the skin and the eyes
- Adds sparkle and clarity to the pool
- Ultimate algae insurance: sequesters carbon needed for algae to "breathe"
- Single application will last an entire season, with only an annual top-up needed

PLATINUM SKIMMER FACEPLATE LIGHT

- Brightest LED light for above ground pools on the market
- No power cord in the pool, can be used with all steel-wall pools
- Does not affect the return or skimmer performance
- Adds essential nighttime security by illuminating the entire body of water
- LEDs last over 10 times longer than halogen and use 1/10th the power

- Can be used in salt water and chlorine pools
- Made from Aqua Cell foam that will not absorb water
- Supports adults up to 250 lbs.
- Color-fusion permeates the entire float with rich color, not just the surface

SUPREME WINTER COVER

**2-YEAR FULL
15-YEAR PRO-RATED
WARRANTY**

- 2-year full, 15-year pro-rated warranty
- Comes with grommets, cable, and winch for tightening cover around pool
- 12 scrim reinforced cover lasts longer than standard options
- Silver surface reflects light and heat, helping to keep water cooler

FIESTA POOL STEPS

The Fiesta is economical and very user-friendly. Ideal for pools with 48 to 54-inch walls with a flat bottom. A sturdy step system that can be installed in seconds! Includes the step cups and the light niche.

RELIANT SAND COMBO SYSTEM

- Optimal performance and energy efficiency.
- Filter bases are made from Polypropylene for long life
- Includes a 7 position multi-port valve

COMPLETE EXTENDED WARRANTY

While the pool structure carries its own warranty outlined previously, other components of the pool carry different warranties, and many cover the product but not the labor to replace the product. Like many warranties, they have limitations and exclusions. This is why The Great Backyard offers a comprehensive extended warranty, complete in coverage (excluding acts of God) for peace of mind unsurpassed in pool ownership.
