

TFS Series – Outdoor Rock Speaker

The TFS speaker series is TIC's world renowned outdoor rock speaker series. Praised for being the most realistic outdoor speaker in the market, the TFS series gives you the look and sound that your outdoor entertainment area needs.

Constructed with aerospace grade multi-layer composite cabinetry, the TFS series speaker is built to withstand most outdoor terrain conditions, with options that offer directional, omni, and stereo sound.

Available in various natural rock finishes: Canyon (CN) and Slate (SL) and White Granite (WG), the TFS outdoor rock speaker, not only looks great, but also comes with the durability and audio fidelity that will keep you satisfied for years to come.

Features:

- Realistic Natural Stone Design
- Directional, Stereo and Omni-Directional sound options
- Weather resistant composite housing
- Security stakes included
- Optional external 70v transformer: SP70vTA
- Color/Finish: Canyon(CN), Slate(SL), White Granite (WG)
