APP DOWNLOAD

Scan the QR code to download the smartwatch app

OR

Download 'CB-Xplore' App from the Playstore or App  
app store

## INSTALL STRAPS

- To attach the straps, slide the pin (the side opposite to quick-release lever) into the notch on the watch. Attach the strap with the clasp to the top of the watch.
- While pressing the quick-release lever inward, slide the other end of the strap into place.
- When both ends of the pin are inserted, release the quick-release lever.

## REMOVE STRAPS

- To remove the straps, turn over the watch and find the quick-release lever.
- While pressing the quick-release lever inward, gently pull the strap away from the watch to release it.

## CHARGING

- Charge the smartwatch before using it
- Full charge in less than 90 mins
- Connect the back of the watch to the magnetic charging pin available in the box
- Please use a 5V charging adapter or connect USB with the laptop

Note: Do not use any fast/dash charging adapters

CONNECT

- Turn on the Bluetooth on your mobile phone
- Create an account and login to the 'CB-Xplore' app
- Open App > Settings > Connect Smartwatch > choose 'Ignite NGAGE'

## Disclaimer

- The Ignite Ngage will display only the names of the callers which are synched to the CB-Xplore/Da Fit apps.
- Optical sensors present on the back of the smartwatch are used to track the health vitals, do not rely on them for medical purposes.
- Crossbeats will not be responsible for in-app purchases made via CB-Xplore/Da Fit apps.
- The watch charging time might slightly vary depending on how much battery percentage has been depleted and the voltage supply for a charge.
- To receive notifications, calls and other alerts ensure your data and Bluetooth connections are stable.
- Our smartwatches are waterproof and are not suitable for diving. Also using them in the shower with harsh chemicals can damage the watch.
- Use the smartwatch with appropriate apps to achieve the best results.
