

2018 AD100: Vincent Van Duysen Architects

The architect and designer infuses his minimalist aesthetic into a wide swath of projects

Posted December 6, 2017 · [Magazine](#)

Known for: Embracing an architectural language that is not shy of aesthetics but resists fashion and trends. **Keywords:** “Functionality, durability, and comfort.”

Highlight: Reno of the façade, atrium, and first two floors of Rome’s iconic La Rinascente department store. **What’s next:** Outdoor furniture for Sutherland.
