# View From the Top

A photograph of a modern rooftop terrace. The terrace features a wooden deck with lounge furniture, including a chaise longue and several chairs. There are two large umbrellas providing shade. The terrace is surrounded by lush greenery, including a large, spiky plant in the foreground and various shrubs. In the background, a city skyline is visible under a clear blue sky. A hanging light fixture is also visible on the right side of the terrace.

THE HOUSE OFFERS SWEEPING VIEWS OF THE CITY BELOW. MARCELLO VILLANO AND ANNE ATTINGER DESIGNED THE LANDSCAPE. CUSTOM TEAK CHAISE LONGUES (ON TEAK DECKING) BY DESIGNER STEPHEN SHADLEY WITH CUSHIONS OF A PERENNIAL'S FABRIC. FOR DETAILS SEE RESOURCES.
