*"THE EXTERIOR IS
TUDOR, BUT THE
INTERIOR IS
TRANSITIONAL
WITH A GOOD DOSE
OF TRADITION AND
A LITTLE EDGE."
—SHAYELYN
WOODBERRY*

Creative Play *above* Woodbery covered a sectional from the couple's former residence in a *Perennials* fabric to make it suitable for outdoor living. "I went to a rug dealer and we had old rugs in need of repair made into pillows," she says. "They play off the rug and window treatment in the billiards room." *right* A metallic patterned wallpaper by Cole & Son through Lee Jofa adds a dose of chic to the powder room.
