In the entry, which functions like a hotel lobby, the sofa is in a Perennials denim, the leather armchairs are from Sonoma Country Antiques, and the brass cocktail table and rug were purchased at the Brimfield Antique Show. The Roman shade and curtains are of a Cowtan & Tout stripe, and the room is painted in Farrow & Ball's Chinese Blue. **OPPOSITE:** The kitchen range is by La Cornue, the salvaged marble counters are from Exquisite Surfaces, the pendants and sconce are by the Urban Electric Co., and the stools are from Sonoma Country Antiques.
