nice nook!

Four cool looks to help your dining area turn a corner.

a chic niche Inspired by French bistro charm, designers Mat Sanders and Brandon Quattrone went all in on a black-and-white palette for this airy Hollywood Hills home in California. Black leather by Moore & Giles on the seat and striped outdoor fabric by Perennials on the back is a cool combo. The custom bistro table and the woven chairs by Maison Midi look like they're straight out of Paris.
