POOLHOUSE ROCKS

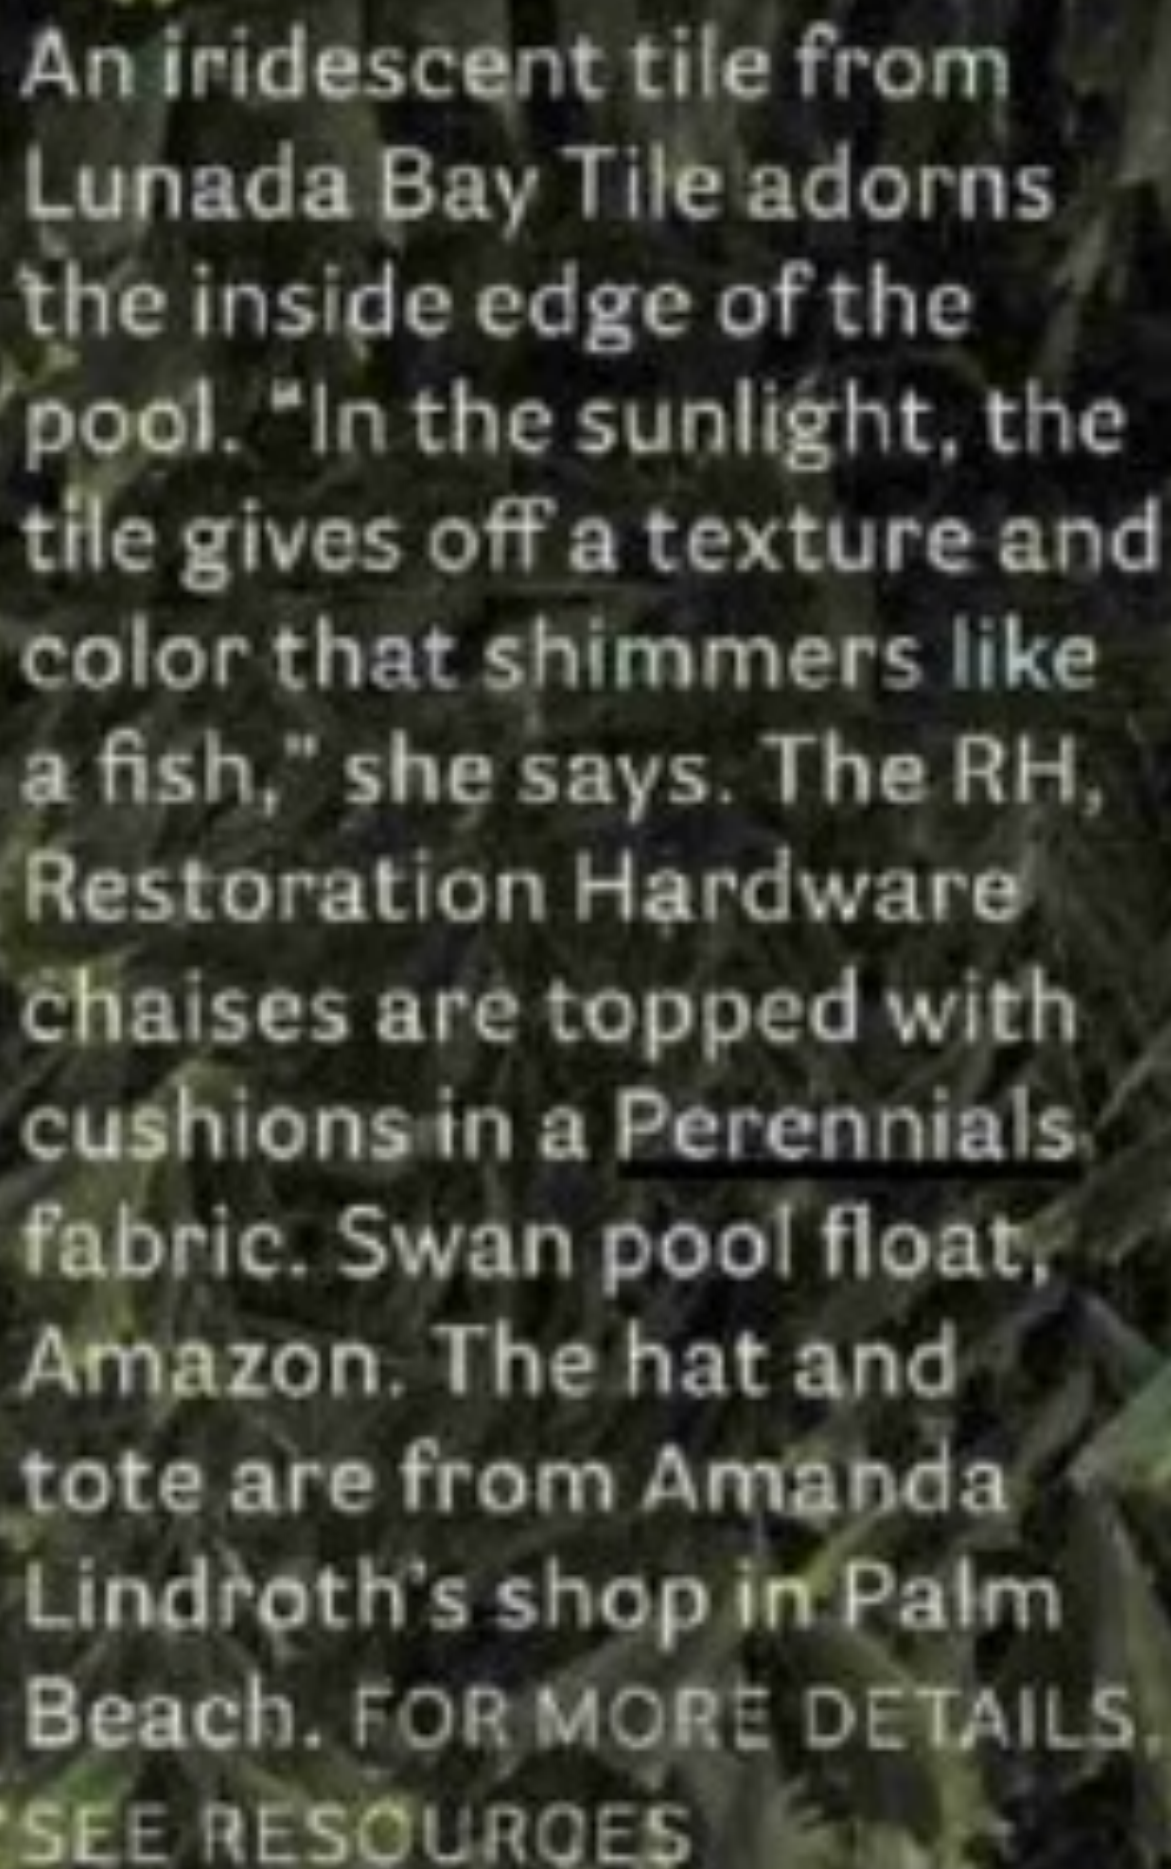

*In a spirited take on the breezy
vibe of coastal Florida, Lindsey Lane
transforms a neglected garage
into a charming one-room getaway.*

The kids are out here from sunup to sundown. They swim and then go inside the poolhouse to play games. At night, the adults come out and enjoy a cocktail. It's a small space, but it gets so much use.

An iridescent tile from Lunada Bay Tile adorns the inside edge of the pool. "In the sunlight, the tile gives off a texture and color that shimmers like a fish," she says. The RH, Restoration Hardware chaises are topped with cushions in a Perennials fabric. Swan pool float, Amazon. The hat and tote are from Amanda Lindroth's shop in Palm Beach. BALI, HI

When Realtor-to-the-stars Chris Cortazzo buys a stunning property next door to his childhood home in Malibu, he taps a good friend—celebrity decorator Martyn Lawrence Bullard—to make his dream house come true.

The master bed has a canopy in a Perennials sheer draped atop bamboo-and-bronze poles. "It is typical Balinese, and such a wham-bam moment," Bullard says. The ceiling is covered in an embroidered grass cloth by Crezana and the curtains are in Schumacher's Andromeda linen. Window shades, Hartmann&Forbes. Rug, Woven. FOR MORE DETAILS, SEE RESOURCES
