

Ocean Hues Imbue A Remodeled Home In Cali

HOME TOURS | BY MAILE PINGEL | February 15, 2018

The master bedroom has an airy touch with a nod to Bali. The Oly bed is dressed with Pom Pom at Home linens; the headboard fabric is by Soane. Suspended from the ceiling is a light from BoBo Intriguing Objects and behind is a shade in material by Horizons Window Fashions. Arendsen used Perennials fabrics for the draperies and the bench covering. A Fibeworks carpet provides a comfortable landing.
