

Moroccan Accents Add Flair To A Spanish Colonial Revival

HOME TOURS | BY LIZ ARNOLD | March 21, 2018

As throughout the house, the dining room has a mix of old and new with an antique buffet joining a Troscan table from Holly Hunt and A. Rudin chairs in a Perennials fabric. Scrolls featuring a poem written for Luis's grandfather hang beside a window. Other artwork includes two Jeff Reese photographs above the buffet and a painting by Corita Kent on the opposite wall.
