# BOLD DEPARTURE

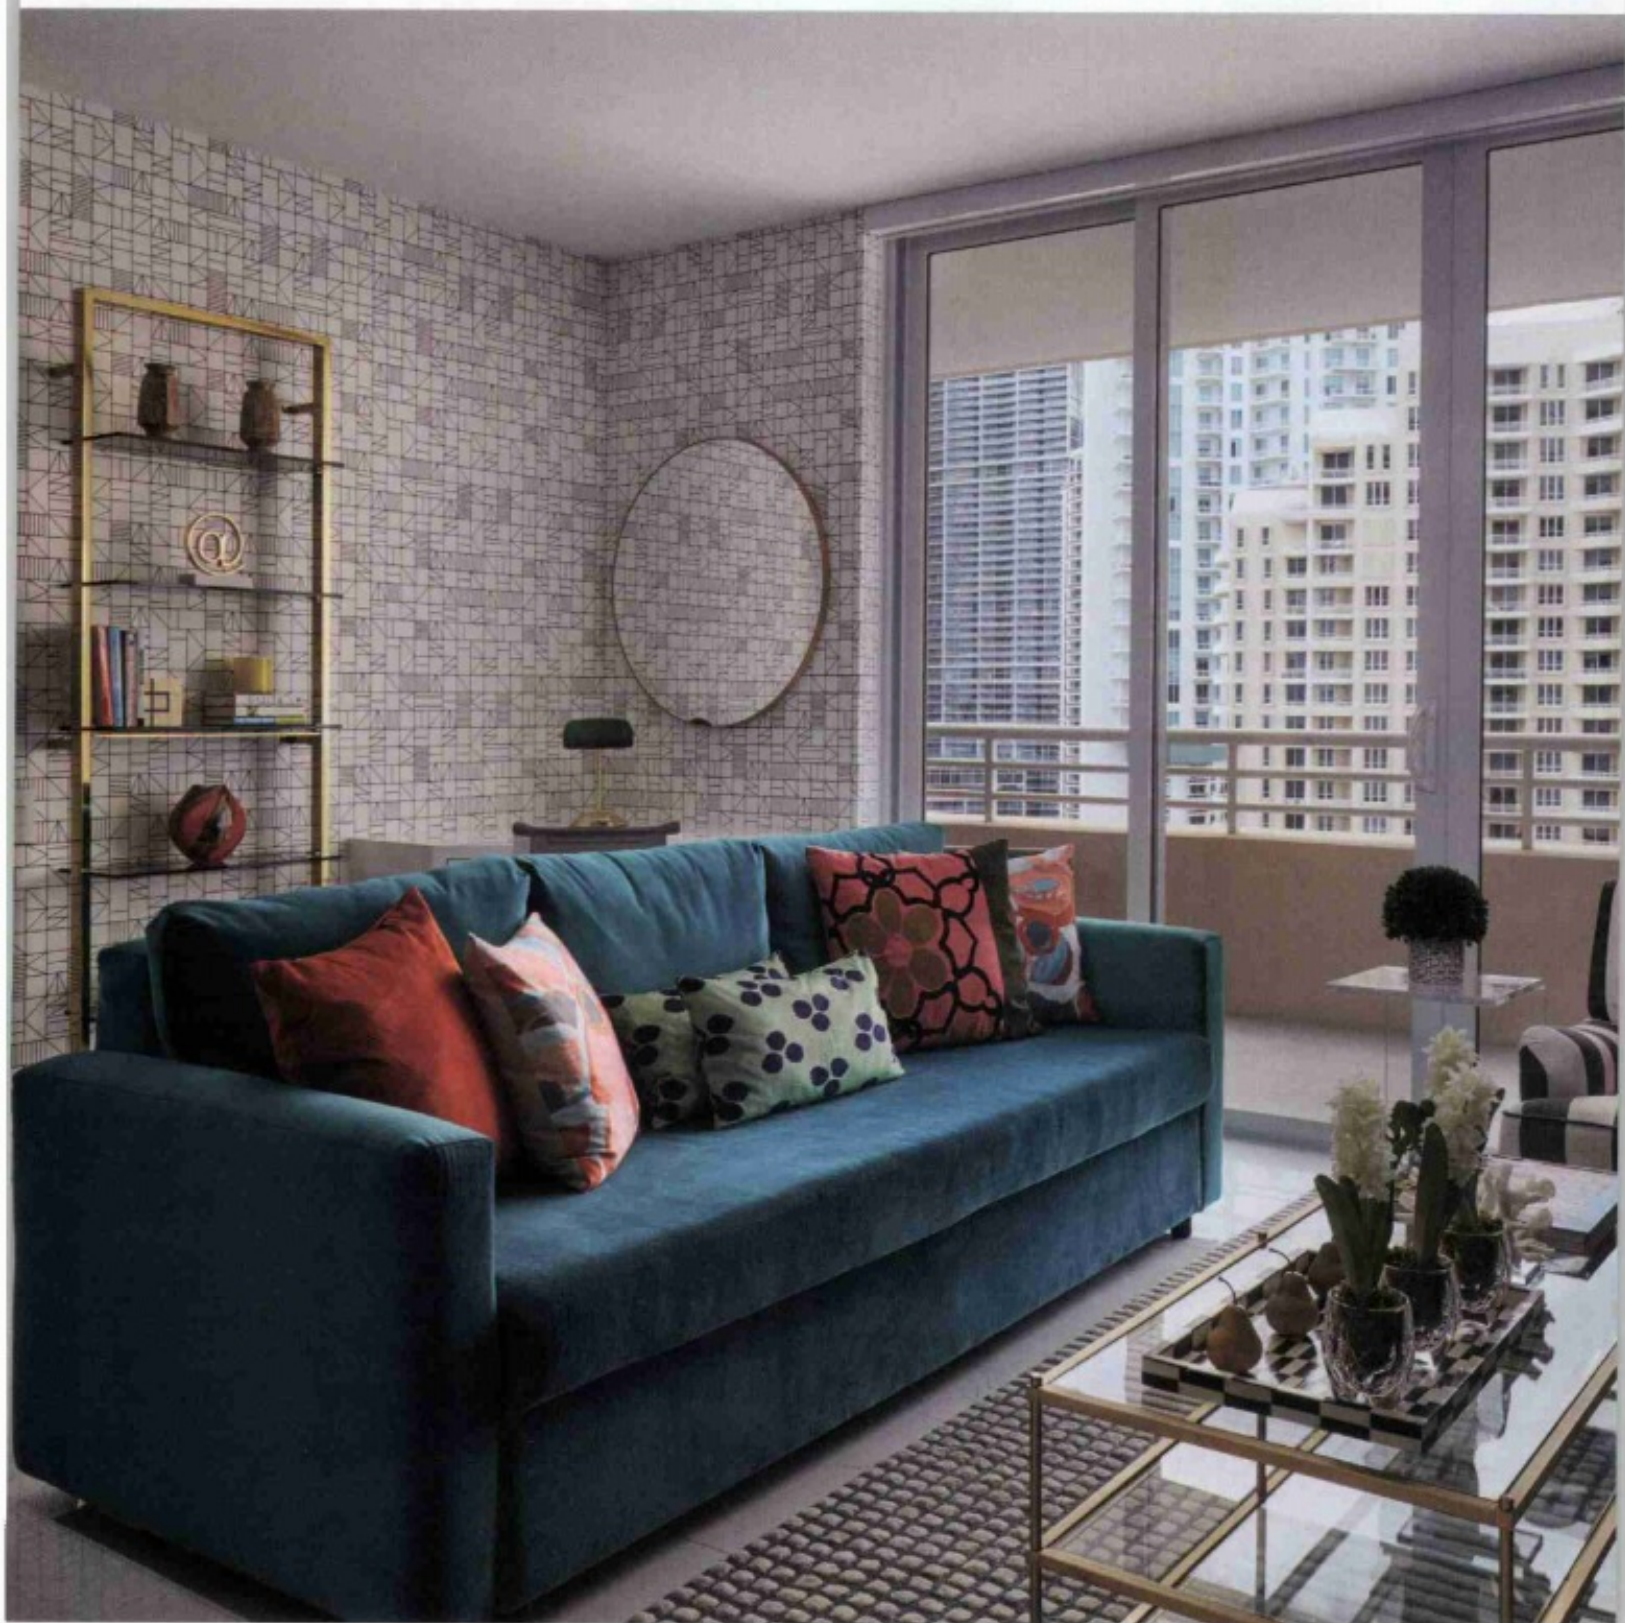

ONE COUPLE'S AFFECTION FOR ALL THINGS FRENCH PROVIDES INSPIRATION FOR THEIR HOME ON BRICKELL KEY.

WRITTEN BY MINDY PANTIEL / PHOTOGRAPHY BY BRANTLEY PHOTOGRAPHY

With an established design theme of eclectic with a Parisian accent for a couple's Brickell Key apartment, designer Maite Granda combined classic French black-and-white stripes on the lounge chair with an Ikea sofa wearing Perennials fabric in the living room. The midcentury modern-inspired coffee table is from West Elm, as are the sofa's throw pillows. The geometric Seabrook wallpaper is from Palmetto Paint & Decorating Center, and the hand-tufted wool rug is from CB2.
