1. It's a winning throw of the dice with the Harbour Island Backgammon Table, available from **Oomph**. Here's a perfect way to spend leisure time with family and friends. Hand-carved to resemble a pineapple. oomphhome.com

2. This pair of French, 1960s wall sconces embody a Modern style known as Brutalism, noted for its hard lines, muted palette, and sculptural forms. Each of the sconces is made of pierced iron and molded glass. **W Gardner, Ltd.**, wgardnerltd.com

3. Although **Porta Romana's** Maudie lamp in plaster white, from the Bohème Collection by Italian artist Viola Lanari, looks like it could fit into an opera set, it's best in your home. portaromana.com

4. **Sutherland's** banquet chair with a teak seat is stackable, powder-coated, and available in twenty standard colors (though custom colors are also available). sutherlandfurniture.com

5. The Heritage 36" Dual Fuel Pro Range in Castlerock is part of **Dacor's** DacorMatch Color System, which allows you to personalize your appliances with any color imaginable. dacor.com
