# DESIGN & REALTY

Add whimsy and wonder to your space with Codarus' molten chandelier in brass and smoke glass (\$2,547) by Regina Andrew Design.

**WESTWARD LEANING** It's time to design, darling! And what better place to do so than at O.C.'s Laguna Design Center, where its brand-new **Codarus** showroom offers a whopping 10,000 square feet of to-the-trade fine furnishings, art, lighting, accessories and more. From Ave Home and Pine Cone Hill to Moss Studio and Square Feathers, luxury brands of all aesthetics abound at every turn. Don't miss the 2,000 square feet dedicated to enchanting chandeliers and posh pendants by Regina Andrew Design to boot. "In an ever-changing marketplace, Codarus consistently [tries to] deliver the best service," notes CEO and Creative Director Cody Ables, who recently celebrated the brand's Dallas showroom opening. "The Laguna Design Center offers a beautiful shopping experience, and we are thrilled to join design powerhouses such as Baker, Century, Kravet, Bassman Blaine and Sutherland Perennials to serve our West Coast customers." Welcome to the neighborhood. 23811 Aliso Creek Road, Ste. 132, Laguna Niguel, [codarus.com](http://codarus.com); [lagunadesigncenter.com](http://lagunadesigncenter.com) —Allison Mitchell
