## DESIGN DESTINATION

**John Brooks Inc.**—a wholesale showroom providing designers and architects across Utah and the Mountain West access to some of the world's most exclusive furnishings, fabrics, wall coverings and lighting fixtures—has opened an inspiring, 2,000-square-foot showroom in the heart of Salt Lake City. An impressive array of offerings is on hand, including collections from A-listers Christian Liaigre, Donghia, Zoffany Perennials, Sutherland, Holland & Sherry, Formations, Dennis and Leen, and others. All are beautifully presented in the showroom's vast library and inspiring vignettes, and all are available through the design trade to Utahns creating the homes of their dreams.
