

## MATERIAL SAFETY DATA SHEET

### SECTION I | CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product Name: <b>Green Clay</b>	Contact Information:
Product #:	Katari, LLC
CAS #: not available	303 S Broadway, #200-157, Denver, CO 80209
RTECS: not available	US Phone: 1.262.343.4554
TSCA: TSCA 8(b) inventory: No products were found.	US E-Mail: <a href="mailto:info@katariskincare.com">info@katariskincare.com</a>
CI#: not available	Order online: <a href="http://www.kataribeauty.com">www.kataribeauty.com</a>
Synonym: illite	24HR Emergency Phone: 1.262.343.4554
Chemical Name: not available	International Phone: 1.262.343.4554
Chemical Formula: not available	For non-emergency assistance: <a href="mailto:info@katariskincare.com">info@katariskincare.com</a>

### SECTION II | COMPOSITION AND INFORMATION ON INGREDIENTS

Composition	Sun dried powder of Tunisian green clay
Hazardous Components	May contain breathable dust.
Toxicological Data on Ingredients	not available

### SECTION III | HAZARDS IDENTIFICATION

Principal Hazards	The product may contain breathable dust.
Potential Acute Health Effects	Prolonged inhalation of a high concentration of dust may affect lung function.
Potential Chronic Health Effects	For safe use, observe the exposure limits.

## SECTION IV | FIRST AID MEASURES

Eye Contact	May cause eye irritation, rinse with water for a few minutes.
Skin Contact	No known effect on skin contact, rinse with water for a few minutes.
Inhalation	Remove to fresh air.
Ingestion	Do not induce vomiting. Wash mouth out with water and slowly give water to dilute. Contact physician as necessary.
Medical Conditions Generally Aggravated by Exposure	none
Note to Physician	Treat symptomatically

## SECTION V | FIRE AND EXPLOSION DATA

Flammability of the Product	Not flammable
Auto-Ignition Temperature	Not applicable
Flash Points	Not applicable
Flammable Limits	Not applicable
Products of Combustion	Not applicable
Fire Hazards in Presence of Various Substances	Risks of explosion of the product in presence of mechanical impact: not available. Risk of explosion of the product in the presence of static discharge: not available.
Fire Fighting Media and Instructions	Not applicable
Special Remarks on Fire Hazards	Not available
Special Remarks on Explosion Hazards	Not available

## SECTION VI | ACCIDENTAL RELEASE MEASURES

Small Spills	Sweep, taking care not to create additional dust. Wash surface with water and soap as needed.
Large Spills	Sweep, taking care not to create additional dust. Wash surface with water and soap as needed.

## SECTION VII | HANDLING AND STORAGE

Handling Procedures	Use good personal hygiene around the product
Storage	Store in a cool, dry area in a well-sealed, air-tight container in a well ventilated area. Use shelves and cabinets sturdy enough to bear the weight of the product. Product is very heavy. Place on lower shelves or on the floor.
Precautions	No specific safety precautions are applicable for this product.

## SECTION VIII | EXPOSURE CONTROL / PERSONAL PROTECTION

Engineering Controls	None
Personal Protection Eye	Not required, but if needed, safety glasses or face shield can be worn.
Skin / Body	Lab coats and chemical resistant gloves should be worn.
Respiratory	A mask should be worn if handling product dry product for prolonged periods to avoid overexposure to breathable dust. Use product in well ventilated areas. Use NIOSH-approved respiratory devices if ventilation is not adequate.
Ventilation	Handle in well ventilated areas.
Other	Evaluate need based on application.
Work / Hygiene Practice	Normal work and hygiene practices for handling chemicals.

## SECTION IX | PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Grey to green when dry, forest green when hydrated.
Specific Gravity	Approximately 2.75
Viscosity	Not determined
Odor	Odorless
pH	7.26 pH
Odor Threshold	Not determined
Water Solubility	Somewhat soluble
Vapor Pressure	Not determined
Vapor Density (Air = 1)	Heavier than air

## SECTION IX | PHYSICAL AND CHEMICAL PROPERTIES

Evaporation Rate	Not determined
Pour of Melting Point	Not determined
Boiling Point	Not determined
Percent Volatile	None
Molecular Weight	Not determined
Stability	Material is normally stable at room temperature and pressure.
Incompatibility	No particular incompatibility.
Hazardous Polymerization	Will not occur.
Thermal Decomposition	Product does not have a risk of decomposition.
Conditions to Avoid	Not determined

## SECTION X | ECOLOGICAL AND TOXICOLOGICAL INFORMATION

Oral Toxicity	Product is non-toxic
Eye Irritation	Product contacting eyes may cause eye irritation.
Skin Irritation	Product is non-toxic. Skin dryness may occur when handling dry product for prolonged periods of time. Limit exposure and / or use gloves and other protective equipment.
Dermal Toxicity	Product is non-toxic
Inhalation Toxicity	Product is non-toxic. However, prolonged or massive exposure to dust can cause or aggravate respiratory conditions.
Respiratory Irritation	Limit exposure to avoid breathing large amounts of dust if handling large quantities of dry product.
Dermal Sensitivity	Product is non-toxic
Inhalation Sensitivity	Limit exposure to avoid breathing large amounts of dust if handling large quantities of dry product.
Chronic Toxicity	Product is non-toxic
Carcinogenicity	Product is non-toxic
Effects of Overexposure	None established.
Medical Conditions Generally	None

## SECTION X | ECOLOGICAL AND TOXICOLOGICAL INFORMATION

Reproductive Toxicity	Product is non-toxic.
Mutagenicity	None

## SECTION XI | DISPOSAL CONSIDERATIONS

Waste Disposal Methods	Dispose of according to local, state and federal regulations. This product, as received is not classified as a hazardous waste under RCRA regulations.
------------------------	--

## SECTION XII | TRANSPORT INFORMATION

U.S. Shipping Name	green clay, non-medical
Hazard Class	Not applicable
Identification Number	Not applicable
Shipping Label	Not applicable

## SECTION XIII | REGULATORY INFORMATION

U.S. TSCA Inventory	All components of this product are listed on the TSCA inventory.
SARA 302 Threshold Planning Quantity	No RQ for product or any constituent greater than 1.0% of 0.1% (carcinogen).
SARA 302 Reporable Qty	No RQ for product or any constituent greater than 1.0% of 0.1% (carcinogen).
SARA 311 Categories	Acute - n/a Chronic - n/a Fire - n/a Pressure - n/a Reactivity - n/a
SARA 313 Supplier Notification	None
CERCLA Hazardous Substances	No chemicals in this product are subject to the reporting requirements of CERCLA.
Clean Water Act	None

## SECTION XIV | ADDITIONAL INFORMATION / DISCLAIMER

This information is provided for documentation purposes only.

This product is not subject to reporting requirements of Section 313 of Title III of Superfund Amendments and Reauthorization Act of 1986 and 40 CFR part 372.

The complete range of conditions or methods of use are beyond our control, therefore, we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate; however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and local regulations remains the responsibility of the user.

Users should make their own investigations to determine the suitability of the information for their particular purposes. In no event Katari, LLC and [kataribeauty.com](http://kataribeauty.com) be liable for any claims, losses, or damages of any third party or for lost of profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if Katari, LLC and [kataribeauty.com](http://kataribeauty.com) has been advised of the possibility of such damages.

The safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this data sheet should be provided to your employees or customers.
