

CIRO® HIGH CALIBER FLEXIBLE ANTENNA

PARTS INCLUDED

- 1 Antenna

NOTE: This antenna is for AM/FM and Weather Band reception only.
This antenna will not work with CB radios.

INSTALLATION INSTRUCTIONS:

1. Park on a level surface and shut off the motorcycle.
Ensure that the engine has time to cool before installation.
2. If applicable, loosen the set screw near the base of the OEM antenna. Some OEM antenna do not have the set screw.
3. Use a pliers down near the base of the OEM antenna and turn counter clockwise to remove it from the motorcycle.
4. Place a drop of BLUE thread locker on the threads of the mount stud.
Thread the Ciró antenna onto the motorcycle until tight.
5. You may use a pliers down near the base of the Ciró antenna and turn clockwise to tighten. Do not over tighten, just a little torque is all it needs.

NOTE: Place a shop rag in between the jaw of the pliers and antenna to help protect the surface.

6. Be sure the Ciró antenna is seated to the base of the stud.

WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Ciró products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

NOTE:

Ciró® warrants that products sold hereunder to the original purchaser, if maintained and operated under normal conditions, shall be free from any defects in materials and workmanship for a period of (3) years from date of purchase, and a lifetime warranty against LED failure.

Ciró will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Ciró will not be liable for any consequential and incidental damages, including labor, or non-Ciró products.
