

## FORK MOUNTED ILLUMINATORS

### Parts Included:

- 1 Right Side Fork Mounted Illuminator
- 1 Left Side Fork Mounted Illuminator
- 1 Hardware Kit Including:
  - 4 S/16-18 x 2 1/2" SHCS
  - 4 S/16"-18 Locknuts
  - 8 S/16" Flat Washers
  - 10 6" Cable Ties
  - 2 Y-Splitters

### Installation Instructions:

**1. Park on a level surface and shut off the motorcycle. Ensure that the engine has time to cool before installation.**

**2. For 2014 and newer: One side at a time, remove stock fender bolts then install longer bolts (included in hardware kit). Tighten longer bolts to factory torque specification. Install Fork Mounted Illuminator bracket onto extra bolt length with flat washers on both sides, then tighten locknut on the end.**

Locknut, washer, bracket, washer

**3. For 2000-2013: One side at a time, remove stock fender bolts per factory service manual. Install Fork Mounted Illuminator bracket onto stock bolt with washers, then tighten to factory torque specification. Not all hardware will be used.**

**4. Route wires behind forks towards back of motorcycle. Secure wires along brakeline using included zip ties. Be sure there is enough length for full turning motion and that wires are out of the way from any pinch points.**

**Note: Make sure no contact will be made between wheel and hardware.**

**5. Plug into your existing Shock & Awk lighting kit and use y-splitters where necessary.**

### WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

### CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

### ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Ciro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

### NOTE:

Ciro products are designed and manufactured under very strict quality control. Ciro warrants that products sold to the original purchaser shall be free from any defects in materials and workmanship for a period of 3 (three) years from the date of purchase, and a lifetime warranty against LED failure.

Ciro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Ciro will not be liable for any consequential and incidental damages, including labor, or non-Ciro products.
