

CIRO FORK TIN ACCENTS

Parts Included:

2 Fork Tin Accents

Note: Do not attempt installation in temperatures less than 60 degrees F (15 C)

Installation Instructions:

1. Park on a level surface and shut off the bike. Ensure that the engine has had time to cool before installation.
2. Test fit the accent by holding it up to the fork tin. The center line of the tin should be in line with the fork and reflector. The small lip on the bottom of the accent should be even with the bottom of the tin. Mark the sides of the accent with removable tape for reference.

3. Thoroughly clean the mounting surface using a mild ammonia based cleaner and non-abrasive cloth.
4. Rub the adhesive backing with your fingernail to activate the adhesive, then peel it off.
5. Carefully place the accent on the fork tin using the tape as your guide. Apply firm pressure for 30 seconds. A full bond will occur in 24 hours.

WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Giro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

NOTE:

Giro products are designed and manufactured under very strict quality control. Giro products are warranted to be free of defects in material and workmanship for 1 (one) year from date of purchase by the consumer.

Giro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Giro will not be liable for any consequential and incidental damages, including labor, or non-Giro products.
