

## FANG® HEADLIGHT BEZEL

### Parts Included:

- 1 Headlight Bezel
- 1 Hardware Kit Including:
  - 1 Y-Harness
  - 4 6" Cable Ties
  - 1 Left Mounting Bracket
  - 1 Right Mounting Bracket
  - 1 Foam Gasket

### Installation Instructions:

1. Park on a level surface and shut off the motorcycle. Ensure that the engine has had time to cool before installation.
2. Place a soft cloth on the front fender to protect paint, then remove stock headlight trim ring. Set aside retaining screw to be reused.
3. Remove the four screws holding headlight bucket to fairing, circled in red below. All four screws will be reused.

4. Route male spade side of included y-harness from front of the light through the headlight bucket, then locate the two stock female accessory connectors and connect. Secure wires as needed with cable ties.

male & female connectors

5. Reinstall headlight bucket, placing supplied brackets behind flange. Secure and tighten with original four screws. See supplied brackets in above photo, circled in green.

### WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

### CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

### ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Giro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

### NOTE:

Giro products are designed and manufactured under very strict quality control. Giro warrants that products sold to the original purchaser shall be free from any defects in materials and workmanship for a period of 3 (three) years from the date of purchase, and a lifetime warranty against LED failure.

Giro will have no obligation if the customer cannot show proof of purchase. Warranty will not be granted unless the part is properly installed and maintained. Giro will not be liable for any consequential and incidental damages, including labor, or non-Giro products. Please visit our website [Ciro3d.com](http://Ciro3d.com) for our complete warranty policy.
