

## CIRO MIRROR BALL MOUNT

### Parts Included:

- 1 **Ciro Mirror Mount**
- 1 **Ball Post**
- 1 **M10 Lock Washer**
- 1 **1/4-20 x 1/2" Bolt**

### Installation Instructions:

**1. Park on a level surface and shut off the bike.**

**Ensure that the engine has had time to cool before installation.**

**2. Decide which side you are going to use and remove the mirror.**

**Place the lock washer between the mounting hole and the mirror mount and re-insert the mirror.**

**Mirror mount**

**Lock washer**

**3. Use two 3/16" allen's to install the ball post on the mirror mount using the included 1/4-20 bolt.**

**4. Tighten down the mirror so that it won't rotate.**

**5. Ensure that your mirror is adjusted correctly for riding.**

**\*If you have purchased any Giro accessories to go with your ball mount, please refer to those instructions to complete your installation.**

### WARNING:

**This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.**

### CAUTION:

**This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.**

### ATTENTION:

**This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.**

**All Giro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.**

### NOTE:

**Giro products are designed and manufactured under very strict quality control. Giro products are warranted to be free of defects in material and workmanship for 1 (one) year from date of purchase by the consumer.**

**Giro will have no obligation if the customer cannot show proof of purchase.**

**Warranty will not be granted unless the part is properly installed and maintained.**

**Giro will not be liable for any consequential and incidental damages, including labor, or non-Giro products.**

**Please visit our website [Ciro3d.com](http://Ciro3d.com) for our complete warranty policy.**

## SMARTPHONE HOLDER

### Parts Included:

- 1 Smartphone Holder Assembly
- 1 Wiring Harness (**Powered Model Only**)

### Installation Instructions:

1. Remove the large plastic nut from your smartphone holder and slide it over the **Ciro** ball mount with the threads facing outward.

2. Snap your smartphone holder onto the ball and thread the large plastic nut onto the drink holder. Adjust the angle and tighten it down.

3. Flip up the side lever on the smartphone holder and adjust it to the size of your phone. Your device should have just enough space to slide in and out. When adjusted correctly, flip the lever down to secure your device.  
**\*Note:** The lever can be put on either side if unscrewed all the way.

### **[Powered Model Only]**

4. Connect the included wiring harness to your battery and route the wires to where you have mounted the smartphone holder. Plug the power jack into the phone holder and then your USB cable into the holder and device.  
**\*Note:** USB cable not included

### **WARNING:**

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.
