

CIRO TAPPET BLOCK COVER

Parts Included:

- 1 Tappet Block Cover
- 2 Black Accents

Installation Instructions:

1. Park on a level surface and shut off the bike. Ensure that the engine has had time to cool before installation.
2. Remove the four front bolts on the tappet block.

3. Place the tappet block cover over the tappet block and line up the holes.
4. Re-install the 4 bolts you removed in step 2 and torque to 95-120 in lbs.

***You may now choose to install the black accents as well. To do so, be sure that the area is free from any dirt or oil. Use a mild ammonia based cleaner to remove any debris. Rub the adhesive backing with your fingernail to activate the adhesive, then peel it off. Place the accents in the recessed areas of the tappet block cover. Apply pressure for 30 seconds. A full bond will occur in 24 hours.**

***Ciro bolts caps shown above are available separately.**

WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Giro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

NOTE:

Giro products are designed and manufactured under very strict quality control. Giro products are warranted to be free of defects in material and workmanship for 1 (one) year from date of purchase by the consumer.

Giro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Giro will not be liable for any consequential and incidental damages, including labor, or non-Giro products.
