

# CIRO CYLINDER BASE COVER

## Parts Included:

1	Main Cover	1	.3125-18 Bolt
1	Center Shield	1	Black Accent

## Installation Instructions:

1. Park on a level surface and shut off the bike. Ensure that the engine has had time to cool before installation.
2. Remove both the front bolt of the shift linkage, and the cylinder base bolt.

3. Place the main cover over the cylinder base and install the .3125-18 bolt. Be sure to use anti-seize and tighten to 15-19 ft lbs.
4. Install the center shield by inserting the lower tab and pressing the shield on.

5. Re-assemble your shift linkage.

**\*You may now choose to install the black accent as well. To do so, be sure that the center shield is free from any dirt or oil. Use a mild ammonia based cleaner to remove any debris. Rub the adhesive backing with your fingernail to activate the adhesive, then peel it off. Place the accent in the recessed area at the center of the shield. Apply pressure for 30 seconds. A full bond will occur in 24 hours.**

## WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

## CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

## ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Giro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

## NOTE:

Giro products are designed and manufactured under very strict quality control. Giro products are warranted to be free of defects in material and workmanship for 1 (one) year from date of purchase by the consumer.

Giro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Giro will not be liable for any consequential and incidental damages, including labor, or non-Giro products.

Please visit our website [Giro3d.com](http://Giro3d.com) for our complete warranty policy.
