DROP & SHOP CONSIGNMENTS

Drop & Shop Consignments make it quick & easy for you to consign your items without an appointment! In this lane, consignors agree to all of our Drop & Shop procedures, including NTY donating any items that we cannot consign without notice.

Drop & Shop Consignments are accepted 7 Days a Week – *don't forget to ask for your Donation Tax Receipt!*

TIMELINE

Consignments are active for 8 weeks.

Items not sold at the end of their consignment period become property of New to You and may be donated.

COMMISSIONS

Commission is calculated on the final sale price, less the Item Fee. An “Item Fee” is added to the price of each item & is paid by the purchaser. This is necessary to cover a large variety of administrative, marketing, & staffing costs associated with selling the item. **This fee is not included in the consignor's split.**

- Items that sell for up to \$49.99, will receive 40%
- Items that sell from \$50.00 to \$199.99, will receive 50%
- Items that sell for \$200.00 or more, will receive 60%

Consignor commissions may be applied toward in-store shopping purchases! **NTY asks that balances build to at least \$20.00, or consignors reach the end of their full consignment period prior to requesting a check.**

Consignor checks can be issued at any time for a \$1.00 check fee.

Commissions not claimed within 12 months from the issuing date will be forfeited.

FINEPRINT

New to You reserves the right to conduct inventory sales/markdowns whenever deemed necessary. Consigned items priced above \$50.00 may be eligible for re-processing at Manager's discretion only.

Consignor attests to the authenticity of every consigned item. Any Item deemed counterfeit will be returned to consignor for a \$50 handling fee or destroyed.

New to You is not responsible for loss or damage due to theft or any other casualty.
