Joerns Healthcare strongly recommends that a thorough risk assessment is conducted by a competent person prior to lifting/transferring any client to ensure their complete safety, comfort and dignity is maintained at all times.

**Comfort**

The Oxford® Comfort sling is an easy fit, contoured sling designed to accommodate the majority of clients. For use in conjunction with a 4-point positioning cradle, the patented Securi3 clip system ensures no inadvertent detachment of the sling.

- Available in polyester solid or net material options
- Optional padded leg sections for increased comfort
- Patented Securi3 clip attachment points
- Colour coded binding indicates sling size
- Positioning handles allow easy patient repositioning
- Modesty loop helps protect patient dignity during transfer
- Can be customised to fulfil patient specific needs
