Sewing & Quilting Machine - NQ900

Sideways sewing

Perfect for sewing patches and appliqués on projects using the straight or zigzag stitch, with the horizontal sewing capability.

Advanced needle threading system and automatic thread tension

With the touch of a button, the thread is pushed through the eye of the needle.

8.3" from needle to arm

More room to the right of the needle to easily maneuver fabric when working on projects of all sizes.

240 built-in sewing stitches

Including 10 styles of one-step auto-size buttonholes and 5 sewing lettering fonts.

My Custom Stitch™ feature

Create personalized sewing stitches and save for future use.

You'll love the flexibility this machine gives you with not only 240 built-in sewing stitches but also the Brother-exclusive My Custom Stitch™ feature. With sideways sewing capabilities and improved sewing with longer feed dogs and the included zigzag foot, creating personalized garments has never been easier. Quilters will fall in love with the large workspace and included wide table that make working on larger quilts easier than ever before.
