Required forms

To better serve our guests, we request pet parents to read and/or complete certain forms before visiting our facility. Download fill out and sign the required forms before you arrive.

Vaccinations Information Card

In order to ensure the safety and well being of all of our guests we invite you to read the following informations prior to your visit.

Should you have any question regarding your fur baby's health, we advise you to consult your veterinary.

Click [here](#).

Daycare & Spa Agreement

This [form](#) outlines the terms and conditions governing your pet's visit. Please read it carefully, sign and return it to preferably prior to your 1st visit; otherwise you may bring it with you at check-in.

Authorization for Release of Vaccinations Form

This [form](#) helps you request vaccination information from your veterinarian.

Ask your vet to complete the form and to email it with subject: "Vaccinations for Daycare" at bonjour@frenchpaws.com

Medication Form

If your pet requires a treatment during its stay with us, we are more than happy to offer this service at no extra charge. We will only administer medications, vitamins or supplements that are within our legal right. (Ex: we do not administer injections.) Therefore, we advise you to contact us prior to booking to make sure we will be able to assist you.

All medication must be in its original packaging and clearly labeled with the type of medication and dosage. Over the counter medications can only be accepted when accompanied by a veterinarian's dosage recommendation. Click [here](#).
