

ECOVAC 200 - Portable Machine Tool Sump Cleaner and Filter

East Coast Filter's Portable Machine Tool Sump Cleaner and Filter features 10 gallons of solids and sludge holding capacity and a large clean storage tank that can accommodate small to mid-size machine tool sumps. Our Portable Sump Service Cleaner is designed to filter water base machine tool coolants, cutting oils, and other industrial fluids. East Coast Filter's unique Sump Cleaners are compact and can operate continuously to ensure uninterrupted side stream machine tool filtration with ease of operation.
