

## USA TRIATHLON COLLECTION

The new Team USA Triathlon collection has been inspired by our award-winning Aquaflo+ triwear.

The Aquaflo+ collection is designed for speed across all three disciplines. It's one of the highest rated triathlon suits on the market, winning the Best Value award in 220 Triathlon magazine.

*"Smartly designed, functional and high performance suit for a great price"*

Since its launch in 2006 Zone3 has sold over 100,000 Tri suits to triathletes. Founder and World Championship winner, James Lock, is passionate about performance and creating kit that give you the competitive advantage. Zone3 has a long and successful history of providing athletes with what they need to perform at their best. The USA Triathlon exclusive suits offer an improved fit, a new panel construction and super-breathable fabrics ensure optimum ventilation and comfort.

### YKK ZIP

Back YKK zipper with pull cord for ITU compliance and ease of getting on and off.

### GRIPPERS

5cm Super-Soft Italian Leg Grippers provide an even and comfortable silicone layer to help prevent the hem riding up.

## CONSTRUCTION

Laser cut and heat bonded front chest and shoulder seam provide hydrodynamics and comfort.

## MATERIALS

Made using a combination of Italian fabrics to provide coverage, support, breathability and comfort.

## TRI-LITE PAD

Small and neatly positioned, the pad features varying thickness levels and fine-line stitching to ensure comfort, reduce irritation and minimise saddle pain.
