

# CUSHION CARE INSTRUCTIONS

Robert Plumb's standard Sunbrella Taupe cushion covers are removable and can be machine washed in cold water (less than 100°F/38°C).

Depending on wash load size, use normal amounts of mild laundry soap and allow fabric to air dry. For general or light cleaning, brush off any loose dirt, prepare a cleaning solution of 2 ounces (1/4 cup) mild soap per gallon of lukewarm water (less than 100°F/38°C). Use a sponge or a soft bristle brush to clean allowing cleaning solution to soak into fabric, rinse thoroughly to remove all soap residue and allow fabric to air dry.
