- The quickest way to exchange an item is to go online and order the correct size or color and return the original item for a refund.
- Please fill out this return form and include it and your packing slip with your return.
- If you received an incorrect or damaged item, please contact us at orders@royalrobbins.com prior to proceeding with the return or warranty process.

SHIPPING

Repackage your items to be returned in your original recycled polybag mailer along with the completed return form and your packing list. Please write your order number on the outside of the package. This will help us quickly identify and process your return upon arrival. We recommend shipping your return with a carrier that provides tracking and insurance. We cannot be responsible for items that do not arrive at our facility. We do not accept C.O.D. deliveries.

HOW LONG DOES IT TAKE TO PROCESS THE RETURN?

Returns enter our system within 48 hours of receipt and will be finalized within four business days after arrival. Email notification is sent upon the finalization of your return, not when your items are received at the facility. Please note that it will take most banks 3-6 business days for the credit to be reflected in your available balance after you receive your email notification.
