CINOART PT2

COMMERCIAL AUTOMATIC TAMPER

The PT2 takes up minimal bench space and eases the workload on the barista. More importantly it means reliable tamping across a variety of baristas and consistent results for the pour and flavour of espresso.

A patent GLS guides the handle into correct position ensuring level tamp

Segmented multi-tamping can be pre-set from 1-3 tamp cycles

Market leading pressure control from 2kg - 38kg

Small footprint to maximise bench space

Longevity, with the unit fatigue tested to one million cycles without wavering

Non-stick nano technology coating

Available in multiple tamp head sizes from 53mm to 58.5mm

RRP \$908.18 excluding GST

ROAST | GRIND | POUR

CINOART PTB MY
