

Canvasback® Pollination Bags

The same trusted pollinating bags you have grown to value are now the Seedburo "Canvasback®" brand. They shed water rather than soaking it up, which prevents color deterioration, print fade or running of print. The bags are available in a combination of options such as colored stripes, colored single stripe, calendar with a single stripe or calendar with stripes and plain.

Add the following part numbers to indicate stripe color choices; for example T410-BK for black stripes BK-BLACK, BL-BLUE, BN-BROWN, G-GREEN, LB- LIGHT BLUE, P-PINK, PU-PURPLE, R-RED, O-ORANGE and Y-YELLOW (be sure to include the hyphen [-]). If you want striped bags with a calendar, add the color BK and then C for calendar – a T410-BKC would be black striped bag with calendar. If you want bags with a calendar only, add CAL to the end of each part number. Bags can also be printed in more than one color, please contact us to discuss your needs and current pricing. The letter code 'H' after the part number indicates heavy-duty paper.
