

## The 200 XRS

The TrailMaster 200 XRS is an upgrade from the 150XRS, one of our best-selling adult models. The 200 XRS has a bigger 169cc GY6 11.1HP air cooled electric start engine that will push 40mph. It's packed with great features like a stainless steel performance muffler, rack and pinion steering and adjustable steering wheel, side mirrors and a bikini sunshade top for those sunny days on the trails!

The buggy also comes with bucket seats and five-point safety harnesses. The driver's seat is adjustable from 36 to 43 inches from the back of the seat back to the pedal so it can fit any size driver. The kart's beefy steel wheels feature 20X7-8 front & 21X10-10 tires rear and ride on adjustable heavy-duty shock absorbers and a 4-point rear swing arm for enhanced off-road handling. F&R Hydraulic disc brakes provide huge stopping power. Extra amenities include a parking brake, H&L beam head lights, all-around fenders, trailer hitch and large utility rack.

We have this model in red, blue, black, green
