

Striker 125R Sport ATV 3125B (8 Wheel)

The Coolster ATV-3125B showcases our most dynamic colorways to date. Featuring a green or orange coated frame, new body plastics, and striking decals to compliment, the ATV-3125B will hit the trails with flare, style, and comfort with a Dual A-Arm front suspension and a single swingarm rear suspension. Coupled with our reliable electric start 7hp - 125cc fully-automatic engine fully automatic transmission with reverse, the ATV-3125B's combination of unique aesthetics and performance make this the ultimate mid sized vehicle. Other standard features include, LED Head/Tail Lights, Remote Kill Switch, Full-Metal Foot wells, Colored Powder coated Frame, Knobby Tires, and a Throttle Limiter.
