

Affordable Go-Kart for Kids

The Mid XRS

There's nothing better for beginners than this TrailMaster MID XRS. Low maintenance and high level of fun for the rider, just simply fuel up and get ready to enjoy yourself.

The TrailMaster MID XRS has a strong and durable frame, double oil damped shock, hydraulic brakes, two wheel drive live axle, powered by a 196cc 6.5hp easy pull start engine. This model is designed to let you go up to 25 MPH and has a climb range of 12 degrees, which is perfect for most trails. The simple design will also give you a lot more flexibility when it comes to navigation as you'll be able to turn easier while still protecting you from overhead brush.

We have this model in pink, red, blue, & black
