

TM23-125 (SEMI-EStart) Dirt Bike

The TM 23-125 is a great Junior size dirt bike that has both Electric and Kick Start. It has a high performance 125cc 4 stroke 8.3hp engine and a top speed of around 45 MPH and a seat height of 29". It is available in red, blue, green, and orange colors. The TM23 features a 4 speed Automatic (No Clutch) transmission with front and rear disc brakes, and a heavy duty frame built for durability! This is sure to be a HOT seller!

The bikes full on motocross ergonomics and race suspension system make handling feel natural and unforced, and help it navigate over almost any type of terrain. Electronic CDI ignition makes kick starting effortless, keeps the bike running smoothly in all gears and provides a broad, even power band. And at only 161 pounds, the 125cc engine can propel the motorcycle to speeds of 45 miles per hour.

We have this model in Red / Blue / Green / Orange
