

TM29-125 Dirt Bike (Man-EStart)

The TM 29-125 is a great mid size dirt bike. It is identical to the TM27 except it has both a kick start and a new "ELECTRIC START". It has a high performance 125cc 4 stroke 8.3hp engine with kick start and a top speed of around 55 MPH and a seat height of 33.5". It is available in red, blue, green, and orange colors. The TM29 features a 4 speed manual transmission with front and rear disc brakes, inverted front shock, and a larger (70" Long) heavy duty frame than the TM24! This is sure to be a HOT seller!

The bikes full on motocross ergonomics and race suspension system make handling feel natural and unforced, and help it navigate over almost any type of terrain. Electronic CDI ignition makes key and kick starting effortless, keeps the bike running smoothly in all gears and provides a broad, even power band. And at only 172 pounds, the 125cc engine can propel the motorcycle to speeds of 55 miles per hour.

We have this model in Red / Blue / Green / Orange

TrailMaster TM29-125 Dirt Bike

TM29-125 Dirt Bike
