

TM35-250 (Man-EStart) Dirt Bike

The TM 35-250 is a great full size dirt bike. It has both a kick start and a new “ELECTRIC START”. It has a high performance 249cc 4 stroke 18.7hp engine with a top speed of around 55 MPH and a seat height of 36.2”. It is available in red, green, and orange colors. The TM35 features a 5 speed manual transmission with front and rear disc brakes, inverted front shock, and a lightweight steel tube frame! This is sure to be a HOT seller!

The bikes full on motocross ergonomics with a 21” front / 18” rear wheel and race suspension system, make handling feel natural and unforced, and help it navigate over almost any type of terrain. Electronic Digital CDI ignition makes key and kick starting effortless, keeps the bike running smoothly in all gears and provides a broad, even power band. And at only 251 pounds, the 249cc engine can propel the motorcycle to speeds of 55 miles per hour.
