

## TM36-300 (Man-EStart) Dirt Bike

The TM 36-300 is a great full size dirt bike. It has both a kick start and a new "ELECTRIC START". It has a high performance liquid cooled 279cc 4 stroke 27hp engine with kick start and a top speed of around 65 MPH and a seat height of 37". It is available in red, green, and orange colors. The TM36 features a 5 speed manual transmission with front and rear disc brakes, inverted front shock, and a lightweight steel tube frame! This is sure to be a HOT seller!

The bikes full on motocross ergonomics with a 21" front / 18" rear wheel and race suspension system, make handling feel natural and unforced, and help it navigate over almost any type of terrain. Electronic Digital CDI ignition makes key and kick starting effortless, keeps the bike running smoothly in all gears and provides a broad, even power band. And at only 326 pounds, the 279cc engine can propel the motorcycle to speeds of 65 miles per hour.

We have this model in Red / Green / Orange
